and Family Counseling Corporation*

***By signing your name to this informed consent contract, you agree that, if Coherence Associates, Inc. (CAI), your primary counselor or administrative staff is brought into a legal matter involving you, in any way, you will compensate CAI at the rate of \$250/hour. You agree that these fees are higher rates than the hourly clinical psychotherapy fees, and that is because legal involvement is time/energy-consuming, thus may interfere with regular practice responsibilities.***
